Draft notification II at page 4 ante as forma ally amended is in order.

2. A revised draft notification in place of draf notification I is sent herewith. The draft is in correct legal form but the Revenue Department should verify whether the various mahals and pethas have in fact been constituted into talukas, and also whether the entries and delections made are in consonance with the territorial changes effected in the revenue limit of the talukas, mahals and pethas concerned.

3. Sub-section (3) of section 5 of the Indian Registration Act, 1908, requires that the alterations made should take effect on such day after the date of the notification as is therein provided. A suitable date should therefore be inserted at line 4 of the revised draft.

The draft notification at page 19 ante as amended is in order. Sub-section 3 of section 5 of the Indian Registration Act, 1908 requires that the alterations made should take effect on "such day after" the date of the notifcatin R.D. should see that as this alteration takes effect from the 1st August 1945 the prcposed draft notification is published to-day so that the 1st day of August will be held to be a subsequent date.

2. The three draft notifications (page 23,27 and 33) have been amended from the drafting point of view. It is not clear whether the alterations which will result in the limits of Kopargaon and Belapur sub-districts will affect the limits of any other sub-districts. From para. 3 of Inspector General of Registration's letter (p. 1 ante) it seems that some villages included in Sangamner sub-district will fall within the limits of the new Belapur sub-district. R.D. should therefore verify the position before issuing the notifications.

3. The draft notification at page 23 ante as slightly amended is in order.

4. The draft notification at page 27 ante as amended is in order. R.D. has proposed to cancel the notification by which entry relating to Sangamner sub-district was inserted in the Table appended to Rule 6 framed under section 69. It is not necessary to cancel the said notification. ~~It is not necessary to cancel the said notification.~~ It is however necessary to refer to it in the draft at page 27 as shown.

5. The draft notification at page 33 ante as amended is in order. The reference to G.N.R.D. No. 9535(a), dated the 26th September 1944 has been deleted for the reasons stated in paragraph 4 above.

The Notifications need not be cancelled. However, if the visits to Nimgaonjalli are to be resumed that would need notification. Under sub-section (2) of section 69 of the Indian Registration Act, any rules made by the I.G.R. take effect on publication in the Official Gazette. No retrospective effect can therefore be produced by any changes now notified, so far as the I.G.R's rules are concerned.

2. Since the new sub-districts come into existence from 1st September 1945, no action appears to be needed. The appointment of Sub-Registrars being done under section 6 of the Act does not require prior notification.
